knowledge on astronomy, animals, plants, food, sports and many other categories. So what are you waiting for? Start playing now! Cool Quiz is a high-end entertainment app. This is a new type of quiz game, where all the questions are in the same theme, each question related to a particular movie/TV show. The quizmaster who gave the question will make it clear if the answer is right or wrong. Cool Quiz is available with more than 10000 questions (5000 new questions are added monthly). All of the questions are prepared by professionals, so that only one type of question is asked from you. Tsuki Deluxe made with passion.

Creating a game of this quality is a long journey and we will take the time to listen to your feedbacks. Tournaments, achievements, user friendly interface, massive sound library and much more... These are only the first steps on this long road. Have fun! Thanks to the support of our beta testers, Tsuki Deluxe is now available on the Google Play Store. It is our first try to develop a multiplayer game (4 players) and our aim is to make it very easy to play by using the 82157476af
