## About This Content

Expand Steel Division 2's History through 3 additional DLC featuring famous campaigns, divisions, nations and units! Releasing during the year following the game's release, these History Packs feature:

- 3 Dynamic Strategic Campaigns
- Historical missions, playable in solo and coop
- 12 Divisions
- New nations
- 6 new Aces
- New units
- 30 camos

## Beyond Steel Division 2

---

Explore more History through 3 gigantic exciting Dynamic Strategic Campaigns, featuring new nations & hundreds of new battalions to lead to victory in the highly-replayable Turn-based Army General mode.

Extend your tactical possibilities with 12 new historically-accurate Divisions and dozens of never-seen-before, highly-detailed units! Customize your troops with 30 gorgeous camos and field one of the 6 new available aces!

Play in solo or in coop mode in the new Historical Missions picturing real-life tactical operations!
